

*Metal  
& Gas*

The logo consists of the words "Metal" and "Gas" in a cursive script, separated by an ampersand. The ampersand is stylized to incorporate a gas pump nozzle, with the nozzle's handle and hose forming the central part of the symbol.

*Metal  
& Gas*

The logo consists of the words "Metal" and "& Gas" in a cursive, script font. The ampersand is stylized to incorporate a gas nozzle, with the nozzle's handle and trigger forming the central part of the symbol. The entire logo is rendered in a light gray color against a solid black background.
